POLICY

1. School profile

The school is situated in Melbourne's north-west, adjacent to the Royal Melbourne Showgrounds, in the city of Moonee Valley. In 2013 we proudly celebrated our 90th Anniversary. There are a number of areas within the school grounds that cater to a wide range of outdoor play experiences. These include an oval, a synthetic running track, large play equipment areas, a gazebo, netball courts, shady areas and an outdoor performance stage.

The school has a diverse population and a community that embraces and benefits from its multicultural mix. Whole school events such as Multicultural evenings, Twilight Picnic and the school concert provide an opportunity

for the community to work together. The school has well-developed grounds and gardens which are maintained through student and community involvement. A strong emphasis has been placed on establishing a sustainability culture that has been developed over many years.

Ascot Vale West Primary School offers outstanding teaching and learning programs in a secure and stimulating environment. The staff, along with supportive families, work hard to continually improve our school. All students are encouraged to be responsible and independent, while striving to achieve their personal best and participate confidently in their learning whilst also working cooperatively with others. The school also aims to provide a range of learning experiences to enable students to reach their full potential.

The school endeavours to support both families and individuals in recognition of their life experiences.

By responding to the diverse learning needs of the students the school undertakes a continuous improvement approach to ensure that our curriculum and pedagogy engages all students. This includes a strong commitment to professional learning, the embedding of improvement strategies and responding to multiple sources of feedback.

Our school believes student wellbeing requires a whole child focus. The school responds to students' social, emotional, cultural, cognitive, health and welfare needs using a multi-disciplinary approach, including accessing DET psychological, nursing and language services and other local agencies.

3. Engagement strategies

Ascot Vale West Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. The school actively promotes student voice and multiple opportunities for student leadership within and beyond the classroom. Opportunities for students to take on meaningful responsibilities arise through the Student Representative Council, Student Leadership roles, Buddy program and Sporting and Performing Arts events. The school provides additional programs including Before & After School Care, Breakfast Club, 'Play to Learn', Camping program, MVIMP (Moonee Valley Instrumental Music Program), etc.

The school works collaboratively with students and parents/carers to establish fair and respectful behaviour policies and practices, based on the school's values, expected social competencies and positive peer relationships.
